

SPATIAL AND REGIONAL PLANNING

PROJECTS

REGIONAL DEVELOPMENT PLAN LAG GROSSGLOCKNER-MILLSTÄTTERSEE- OBERKÄRNTEN CARINTHIA / AUSTRIA

Project description

The Regional Development Plan serves as a basic document in the scope of the LEADER+ application submitted by the »Development Association Großglockner-Millstättersee-Oberkärnten«. In addition to an overall description of the region and a statement on the current regional development situation the development plan also defines the objectives for the future regional development and the corresponding development strategies.

Services

- Survey of the current situation
- Definition of road and path connections
- Thematic and graphic design of 14 wallcharts and folders

Client

Regional Development Association Großglockner-Millstättersee- Oberkärnten
