

TOURISM PLANNING

PROJECTS

ADVENTURE PLAYGROUND „SEEHEXE“ AT THE PRESSEGGER SEE

Project characteristics

Public playground at the bathing beach in Hermagor. The playground is supplied with experience oriented and age specific challenging playing stimuli for small children as well as for children of kindergarten and school age. The designed natural playing equipment is open for individual use and provides the ideal space for self-sufficient playing creativity. Additional marketing of the playground happens by the means of comic stories represented by the main characters of the playground as for example the "Seehexe" (Lake Witch)

Services

- Design
- Official project submission
- Tendering procedures
- On-site construction supervision

Client

Stadtgemeinde Hermagor-Presseggen
2014-2015
